February 3, 2010

Dear KCS Alumnus,

It's Homecoming time again at King's, and we want to let you know we are thinking of you.

Our Homecoming ceremony will take place on Thursday, February 18th, at 8:30 in the morning when the 2010 KCS Prince and Princess will be crowned.

We realize that most of you will be at work or in school at that time, but if you are available, please join us for this ongoing special tradition. There will be a reception in the cafeteria afterwards for all middle school students, parents, and alumni like you!

Whether or not you can attend, please complete and return the enclosed response form so that we can update our records. If you are in touch with any fellow alumni, please let them know about this event and ask them to contact the school if they did not hear from us directly.

We are having another great year at King's but, as with most private schools and other businesses, it has been a struggle financially. In order to help recruit students for next year, we are offering **3 months of free tuition to all new students**. Please help us spread the word about this generous offer. Additionally, if you are able to help us financially, we would be most grateful for any assistance you may be able to send our way. It is our desire that many more students experience the same solid academic and spiritual foundation that you received at King's.

We hope to see you on February 18th, and if not then, some time soon. Remember, you will always be a member of the King's Christian family!

Blessings,

Debbie Hew
